

Hi \$\$first\_name\$\$,

Yay! It's Wednesday!

Last week was amazing! What an incredible team we have. You all truly make every week better! Please know how thankful we are for each and every one of you. The sacrifices you make each week to serve this house do not go unnoticed! Thank you for making every week count (:

**Please reply back to me in an email if you received this lesson plan!**

**Reminders:**

1. **iTech servant leaders are expected to serve either load in or load out twice a month.** Lets try to commit to them on CCB as soon as possible!
2. Be sure to have **parent cues** and activity sheets ready to go in the accordian file **fifteen minutes before the service ends.**
3. **Drop-off Leaders** be sure to be at the registration table in Heroes to write down each child's name on the dry-erase board, please stay by the registration table to welcome families through worship.
4. Please be there **1 hour before service to join us for Team Huddle!** Huddle time is 10am.

**New reminders:**

1. If you see any children leaning on the scuba walls, lets kindly ask them not to do so.
2. During the activity, let's try to have at least **one servant leader sitting at each table** to assist our heroes with their craft.
3. Let's use our walkie talkies to contact registration if there is an emergency or if help is needed.
4. On Sunday, don't forget to wear your Vous Kids shirt, name tag and booties!

This month. We will be focusing on how **Everyone can follow Jesus! With a focus on the story of Palm Sunday.** Our little Heroes learned that the people knew that **Jesus**

**was special, so A LOT of them followed Him. We can follow Jesus too! When we follow Jesus we can learn how to love God and love people.**

We will be implementing a **new song** for this month called “**Shout Hosanna**”. If correlates with this months bible lesson and Palm sunday, which is at the end of the month. We will also be giving the kids palm leaves to wave as we sing this song. The song will be on the USB.
