

Happy Wednesday VOUS Kids Fam!

No matter what is going on in your week right now, know that God is working in and through you! I am so encouraged by each one of you Kingdom builders! It's truly an honor to serve our house with my incredible VOUS Kids family.

This Sunday let's not only be **prepared**, but also **surrendered** in every area of our lives, allowing God to do what only He can!

REMINDERS:

1. You will be receiving a schedule request for Super Bowl Sunday. Please respond ASAP! The service times for that Sunday, February 4th will be as follows: 9:15am/ 11am/ 1pm/ 3pm
2. We're on our final day of this month's series My Bible, so it is imperative that each servant leader brings their Bible. Leaders lead by doing, not just saying!
3. If any child has not yet received a My Bible bookmark, let's make sure they receive one this week!
4. Let's make sure the chairs are set up at an angle facing the front for all services. If chairs need to be added during worship, we will add them to the inside of each aisle and possibly even add additional rows if needed.
5. REMEMBER: All servant leaders must attend a huddle. This is the time that we go over the service flow as a team and prepare for these future world changers. We don't practice on kids! We come in ready!

*IF for some reason you miss huddle, please be sure to arrive at least 30 minutes before service to review what you may have missed with your service leader.

ROLE REMINDERS:

1. Any person serving up front (ex. Hosts, Storytellers, and Offering Leaders) will walk to the front from the LEFT hand side. Please do NOT walk down the center aisle.
2. The Host and Offering Leader will continue to do the VIP Welcome and Offering moment together. If you are serving in one of these roles, please take a look at this on the Large Group lesson to be familiar with the script.
3. VIP lanyards are to be given to new kids by the Runner as they walk in the door. New kids will have a STICKER on their nametag to identify that it is their first Sunday at VOUS Kids. This will be done at Registration. The VIPs will still be recognized by the Host in the VIP Welcome, but it will be the Runner's responsibility to give them the lanyard when they first come in.

We want to THANK YOU so much for your time and dedication to reading though, being prepared, and helping to make VOUS Kids the best it can be! Praying your week just continues to get better and better! We can't wait to see you on Sunday!

Please shoot a quick response once you've read this e-mail!
