

# MY BIBLE

## UNPLUGGED

The Bible: is God's Word, given to us to show us how much He loves us and how we are to live. During MY BIBLE: Unplugged, we'll unplug from ideas like the Bible is boring, irrelevant, or unimportant and we'll plug into the Bible to learn more about it, how to use it, and how it applies to our everyday life!

We'd like for you to join us on this series by continuing the dialogue at home, using this card to begin conversations with your child about the importance of being **plugged in** to the Bible.

If your child doesn't already have a Bible at home, there are now Kid's Bibles available at the Resource Corner!
