

WELCOME TO **VOUS** ⚡ **KIDS**

**VOUS KIDS IS THE
CHILDREN'S MINISTRY
OF VOUS CHURCH**

Dreamers | CARE | 6 Months - 24 Months

Each dreamer is set apart by God. We understand the trust we are given by parents to take care of these dreamers. We believe that the details are the core of making sure each dreamer is taken care of. In this area we are constantly engaging, playing, and speaking life over these precious children.

Heroes | GROW | 2 years - 4 years

There is nothing too big for these Heroes. Their size shouldn't be underestimated, their personalities are larger than life and minds are ready for engagement. Our servant leaders in this area come in full of energy ready to share the love of Jesus through our lesson plans. Seeing the growth of these heroes inspires us to never take a moment for granted.

Legends | ENGAGE | 5 years - 11 years

They go forth and create a legacy of love, grace, and leadership. Legends are up to bat, in building and molding what our world will look like. During these pivotal years of growth, we are intentional with the words we say and understand the responsibility we have in teaching them the word of God. We are set on building a community of engaged leaders that will leave an everlasting impact. Details matter and in each Legends service we are careful with the details and strive for excellence.

We help develop these future world changers by:

Providing environments that allow children to worship to God.

Our environments are age-appropriate and compelling. Each age group experiences programs that are both fun and educational.

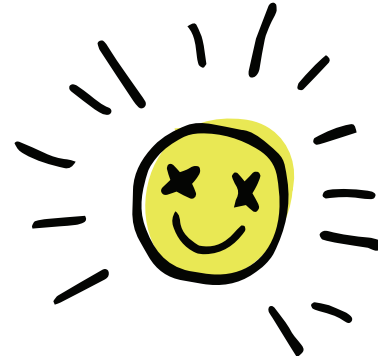

Partnering with parents to raise the next generation of leaders.

From the youngest of ages, we are teaching these children about the love of Jesus. We want to keep you informed about what we are learning each week. We want to walk arm and arm with you as you raise your future world changers.

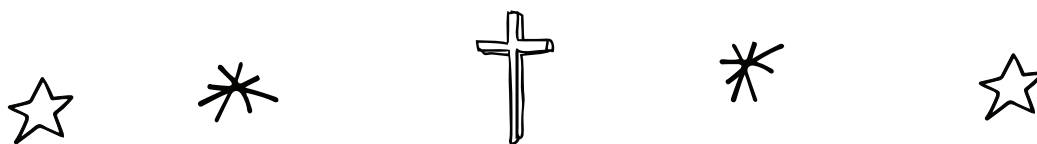

Preparing children for life-change.

We believe that life-change can happen at the youngest of ages and children can make the decision to follow Christ and experience His life-changing power.

**Here at VOUS Kids we believe that it's not babysitting,
it's leadership development.**

- ☆ Check in begins 30 minutes before the start of service and ends 30 minutes after service begins.

Q: When is VOUS KIDS?

A: Every weekend VOUS KIDS coincides with the adult services of VOUS Church.

Q: If my kids are different ages can they stay together?

A: In order to keep rooms safe, we ask that children are dropped off at their assigned room. What we teach and the activities we prepare for in each room are specific to the designed age group.

Q: Can I stay in the classroom with my child?

A: Parents are welcome to stay in the classroom for up to 5 minutes after dropping off their children.

Q: Do you administer diaper changes?

A: Our Dreamers and Heroes team will administer diaper changes as long as the parent has given the team permission to.

Q: Who serves in the VOUS Kids classrooms?

A: We have an amazing team of servant leaders who are passionate about kids ministry. Anyone who serves in VOUS Kids has gone through an onboarding process before serving and has cleared a background check prior to serving. Each servant leader must uphold and abide by our Policies & Procedures.
