## INTRO

### VERSE 1

I won't make it  
I won't last  
Without you  
In my life  
You help me  
You lead me  
You meet me  
Where I am

### CHORUS

God I surrender  
Lord here I am  
Still in Your presence  
I lift up my hands  
Come Holy Spirit  
Fill me again  
I need revival  
I need revival

### VERSE 2

Baptize me  
Purify  
Immerse me  
Within  
Not one thing  
Can satisfy  
Like heaven  
Inside

## INSTRUMENTAL

### BRIDGE 1

What I see as pieces  
You see as whole  
What I feel is empty  
You'll overflow  
What I call my weakness  
You call my strength  
I lay my life down  
To find it again

### BRIDGE 2

What I see as pieces  
You see as whole  
What I feel is empty  
You'll overflow  
What I call my weakness  
You call my strength  
I lay my life down  
I pour out my praise
